What are they?

Trinity believes that everyone is important and uniquely special to the Kingdom of God. We want each person to grow in their faith in Jesus each and every day.

In order to assist you in growing spiritually, Trinity has designed a way to personally meet your needs.

We have gatherings of people all through our facility that are learning more about Jesus, caring for one another and working together in service to others in our church family and our community.

By being a part of one of the gatherings (we call them Bible Study Fellowships) you will have the opportunity to be as involved as you want to be in growing in all aspects of life. As we meet together, friendships are made and lives are changed.

Please consider the options you see on this page. If you would like to lead an option, let us know. We pray that you will find a place you will enjoy!
