Name: _____

# WHAT'S YOUR STORY?

All believers have a story of how they met Jesus. The major qualification for church membership is a personal relationship with God through Jesus Christ and expressing Him publicly through baptism. As explained earlier, salvation occurs upon receiving Jesus Christ as Lord and trusting His death and resurrection as the only means to be made right with God. I want to give you an opportunity to write your story. **Please take the time to briefly tell when you received Jesus Christ as Savior and provide details about your baptism experience.** If you do not have a story or are unsure about your salvation, please write that down and explain where you are spiritually.
